

Tithing Suggestion Sharing Request Form

As a tithing parish, we elect to share a designated percentage of our regular Sunday collection to causes requested by our parishioners. Currently, this is 5%. Our tithes will help the poor and less fortunate in our community, in sister parishes, and wherever sharing is most needed. Any member of Our Lady of Grace may submit this form via the Sunday collection, parish office, or a current Tithing Committee member. The Committee will consider all applications received.
