

Will You Answer the Call?

That Man is You! is an interactive and multimedia program that focuses on the development of authentic male leadership. By using both current social and medical science, along with the teachings of the Church and the wisdom of the saints, That Man is You! successively considers men in their relationship not only to God, but to their spouse and children as well.

A Testimony from an Our Lady of Grace Participant

"I made the mistake of dismissing TMIY as "Not for me" before I gave it a chance. It took me 6 months to swallow my pride and check it out. I'm happy to report that I was wrong. TMIY is unlike any other Catholic program I have ever participated in. Steve Bollman, the founder, speaks to us each week about the real issues of our time. These are tough topics that challenge our understanding and assumptions about real manliness. There is nothing more manly than the courageous pursuit of sainthood to which all men are called. As we learned from the apostles, this cannot happen without Catholic brotherhood.
