

Happy Easter! If we haven't seen you for a while, welcome back. Our Lady of Grace offers the world to Christ and Christ to the world through its liturgies, sacraments, and over 30 ministries. We are committed to follow Christ, worship and serve, welcome with joy, and grow disciples.

We strongly believe that we're best able to meet your spiritual and temporal needs through an easy to use communications system. Parish communications flow through a program called Flocknote. Simply go to our website – [ologn.org](http://ologn.org) – and sign-up for your account. You can also sign-up to receive Flocknotes from different ministries and activities. Also, look for us on Twitter and Facebook

We're proud of our faith formation opportunities for two-year-old tots through adult formation. Details on all the programs are available in the bulletin.

Our "A" rated, STEM award-winning school provides faith-centered education beginning with our two-year-olds continuing through eighth grade. By following the mission statement, our students learn that excellence is expected, discipline is understood, family is valued, and social awareness is strengthened. Service is an important part of the faith life of an OLGCS student. Throughout the year, students are involved in several group acts of service, including a food drive for St. Vincent DePaul plus many individual acts of service. All students are instructed directly and intentionally on faith and formulas of Catholic doctrine. In addition to classroom instruction, our students are enriched during the liturgical seasons of the Church year with special activities and events, such as Stations of the Cross, Seder Meals, and Advent and Lent celebrations.

We look forward to seeing our friends – old and new -- in the weeks and months to come. Our parish family isn't complete if you aren't here. God bless you.

**Cut Here**

Mass Schedule: Saturday Vigil 5:30 Sunday morning 7:30, 9:00, 11:30 and then at 1:30 [en Español], 5:30 Sunday afternoon
