

HAND TURKEY THROWDOWN

A Spectacular Holiday Competition at Our Lady of Grace

RULES

1. Each family may submit only one hand-turkey submission. A "family" refers to a single household, whether it consists of one or one thousand people.
2. To participate, a family must be registered at OLG or have children enrolled at OLG School.
3. The body of the hand-turkeys submission must be in the shape of a human hand and be roughly the size of a normal human hand (no gigantic or microscopic hand-turkeys, please).
4. Turkeys must be able to stand upright on their own in order to be displayed (and to build character).
5. Hand-turkey entries should be brought to the Aller Library (in the parish office hallway) and are **due by 11am on Sunday, December 11.**
 - a. If the Aller Library is unavailable, please leave the hand-turkey submission in Fr. Block's office.
 - b. The competing family's name must be labeled on the entry. Hand-turkeys without a family name will not qualify for prizes and will likely have serious questions about their purpose in life.
6. Judging will take place on Sunday, December 11, by a panel of hand-turkey experts.
7. The four criteria according to which the hand-turkeys will be judged are:
 - a. **Creativity** (Draw in the judges with outside-the-box thinking, wordplay, or thoughtfulness.)
 - b. **Hand-i-ness** (Maintain the integrity of the illustrious hand-turkey tradition by resembling a hand.)
 - c. **Catholic Identity** (Connect it to our faith and don't practice any fowl play.)
 - d. **Quality of Name** (Give your turkey a name because history's greatest hand-turkeys have names.)
8. Please have so much fun with this.
